

## Become a CRN Sponsor

Contact Karen Connolly at 513.490.0226  
or email [Karen@CollateralRisk.org](mailto:Karen@CollateralRisk.org)

Your sponsorship of CRN supports the activities of our organization. The CRN is a non-profit that relies on dues, event fees and primarily sponsorships to support the activities of our organization.

Please consult your accountant to determine if any sponsorship of the CRN may be considered a charitable contribution.

The CRN will be developing collateral risk education and training. It will be the first of its kind. Today, any collateral risk knowledgebase resides institutionally. In our post Mortgage Crisis era it is time to develop the science of collateral risk to ensure the future safety and soundness of housing finance.

Standards must be developed or adopted in order to build a real estate finance superhighway. These endeavors require resources.

Your sponsorship dollars will be put to use executing on these initiatives at the direction of the Board of Directors.
